

CHERBOURG IN YELLOW

We found here a little street that looked yellowish.

We found this building in the parc "Emmanuel Liáis".

Here is a submarine that we found in "la cité de la Mer".

That is a typical letter-box of the city Cherbourg.

This is the big theatre of Cherbourg and near this theatre on the right you can see a big fountain.

This is a big statue, that we found walking alone in Cherbourg.
